

## Awards

### **JOHNSON CONTROLS – Brengel Technology Center**

Leedy & Petzold was the Engineer chosen for the electrical design of lighting, power and special systems at the \$17 million, 130,000 square foot, Johnson Controls Brengel Technology Center. The Brengel Center was among the first buildings to be certified as a *Green Building* under the **U. S. Green Building Councils** LEED Green Building Rating System. The Brengel Technology Center also received the **Best of 2000 Midwest Construction Award**.

### **HOLY HILL – Shrine of Mary**

The **Illuminating Engineering Society (IES)** accorded their **2000 Regional Award** to Leedy & Petzold for the lighting design of the Shrine of Mary at Holy Hill, Hubertus, Wisconsin. The new lighting brings modern technology to a historic building which dates back to the 1920's.

### **TOWN HOMES at CARVER PARK**

Leedy & Petzold in conjunction with the Housing Authority of the City of Milwaukee received the **“Top Projects 2002”** award from the **Daily Reporter/Wisconsin Builder** for our participation in the Town Homes at Carver Park Housing Development project.

### **MONUMENT PARK**

- The **Milwaukee County Historical Society** presented their **2003 Preservation Award** for the development of Monument Park at the Parklawn Housing Development site. Leedy & Petzold designed the lighting of pathways, a gazebo, flagpole, and WPA Era Monuments.
- Monument Park also received the **2004 Urban Design Award** from the **City of Milwaukee** for creating a gathering place for the community and a fond remembrance of the city and nation's progressive cultural heritage.

### **HIGHLAND GARDENS APARTMENT BUILDING**

- Highland Gardens, the 114 unit, mid-rise, low-income apartment building recently built at the Highland Park Housing Development site received the **“Top Projects 2004”** award from the **Daily Reporter/Wisconsin Builder**.
- The Local Initiatives Support Corporation presented the **Milwaukee Awards for Neighborhood Development Innovation “MANDI” Cornerstone Award** which recognizes accomplishments of the community development industry.

### **YANNIS STEAKHOUSE**

Yannis Steakhouse Restaurant received the **2006 Illumination Design Award** by the Milwaukee Section of the **Illuminating Engineering Society (IES)**.

### **SENTRY EQUIPMENT CORPORATION, Pabst Farms**

Received one of several awards given by **2007/2008 Real Estate & Construction Review – Wisconsin Edition** for the region's most important, innovative and unique construction projects.

### **JOHNSON CONTROLS – Glendale, Global Corporate Headquarters Campus Expansion**

Designed **LEED-NC Platinum** and is a showcase for utilization of solar power and both renewable energy and energy efficiency throughout.
