**LOCATION:** Onalaska National Guard Armory, Onalaska, La Crosse County

**PROJECT REQUEST:** Request authority to hire a consultant to design and construct a motor vehicle storage building project at the Onalaska National Guard Armory for an estimated total cost of \$750,000 Federal Funds.

**PROJECT NUMBER:** 13I3C

**PROJECT DESCRIPTION:** This project will construct a 10,000 GSF unheated motor vehicle storage building (MVSB) at the Onalaska National Guard Armory. The MVSB will have masonry walls, steel roof structure, sheet metal roofing system, concrete floors and aprons, overhead doors, and electric lighting.

**PROJECT JUSTIFICATION:** The new facility will house the military vehicles assigned to the unit that occupies the Armory. The MVSB will prevent deterioration of the vehicles due to exposure to sun, rain, snow, etc., and will reduce training time lost to maintenance and vehicle preparation activities. The project will provide the required area needed by the unit to support Army National Guard activities, achieve proficiency in required training tasks, and will provide much needed storage space. In addition, this facility will provide an adequate level of security for the military vehicles assigned to the unit.
