

**AGENCY REQUEST FOR
AE SELECTION
SEPTEMBER 2014**

AGENCY: Department of Military Affairs

DMA CONTACT: LTC Daniel Pulvermacher, 608-242-3365,
daniel.pulvermacher@wisconsin.gov

LOCATION: Madison, Dane

PROJECT NUMBER: 14I1G

PROJECT DESCRIPTION:

Project will upgrade the existing women's shower and add an additional shower in the downstairs women's bathroom/locker room. Project will install two showers and one stall in the downstairs bathroom of the facility. Currently there are two stalls and one old shower. Shower facilities will be upgraded by replacing fixtures, wall and floor finishes and also make the facility ADA compliant.

PROJECT JUSTIFICATION: As we continue to improve the facility, the project will make the most of the renovations made during the 07K2V remodel project. The current shower is extremely old and has not been maintained. Further, due to the increase in the number of females working in the building, one shower is not sufficient to accommodate the needs of the unit. Both full and part-time soldiers are required to pass a physical fitness test annually, and they use the facility during the week and on weekends for physical fitness training in preparation for that event. Adequate shower facilities are required so our female Soldiers can clean-up after physical fitness training.

BUDGET/SCHEDULE:

	State	Federal	Total
Construction			
Design			
DFD Mgt			
Contingency			
TOTAL			\$389,900

A/E Selection	Oct 2014
Design Report	Mar2015
