LOCATION: Madison, Dane

PROJECT NUMBER: 15F1X

PROJECT DESCRIPTION:

This project will take place at the Wisconsin Army National Guards Armed Forces Reserve Complex located at 6001 Manufacturers Dr. Madison, WI 53704. The purpose of the project is to provide adequate space for existing vehicles and equipment to maintain mission readiness. The scope of work includes a new rigid pavement, 1,000sy military owned vehicle parking area, necessary access ways, and associated fencing and security lighting.

PROJECT JUSTIFICATION:

There is not enough area to store the vehicles and equipment utilized by the occupants and as such, parking for 88th USAR vehicles and equipment is currently spread across multiple locations including on-site military vehicle parking areas.
